Our cover image:

The final vision in the Bible for the whole of creation describes how at the heart of the holy city there will the tree of life and the river of the water of life.

> *"Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of God and of the lamb down the middle of the great street of the city. On each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations. No longer will there be any curse. The throne of God and of the lamb will be in the city, and his servants will serve him."*
>
> *(Revelation 22v1-3)*

The image on the cover of this booklet tries to illustrate this for us at St Martin's: hence a river and a tree as well as the church. We believe that, as we serve, this vision of healing and wholeness can begin to become a reality for the city of Birmingham and beyond. This is not just our work but involves all of God's people in this city. Our hope is that one day this will be reality and not just a picture.
